

“The Power of One” Spreading the Word about NARI’s Role in Our Communities

It is evident from all that I see and hear that NARI members make a difference. The efforts of one person, one family, one company and/or one organization dramatically improve people’s lives.

We want to hear what you have or are doing that has made a difference. Please ask each person in your company to think about how they have helped someone – i.e. “Shoveled snow for elderly neighbors” or “Cooked dinner for a sick friend” or “Remodeled an entire home for a handicapped person”. From the smallest to the largest, church or school related, we want to hear how NARI members have enhanced the lives of people in our communities. The smallest things like a warm smile for someone who has been down on their luck can make a big difference, or a kind word of encouragement. Please let us know.

NARI will be compiling all of these good deeds and using them to show “The Power of One” throughout our communities. Media stories, press releases and news stories will be compiled from these actions. I know we will have books and books of powerful lessons. No deed is too small.

Please visit this page on our website often and let us know what you are doing.

**E-mail back response form:
I made a difference, here is what I did:**

Name & Company (Optional)
