Topics:

Designing an Outdoor Living Space...
as an extension of the home.

Descriptions:

People today consider outdoor living spaces an important area in their overall space planning. Come and learn how to design this space as an extension of the rest of the home.

We'll tour the outdoor showroom space while feasting on wood fired pizza, chicken from the Big Green Egg, pork from the Traeger Pellet Cooker and hot dogs and hamburgers on the FireMagic gas grill.

Register by contacting the
