Project Location: 684 YARONIA DR. COLS. 43214

About the Project:

This major remodel was both ambitious and imaginative. There were requests for interesting and unique details playing off existing period details. The results are comfortable and visually rich. Renovations include: Large dormer addition, full kitchen, master suite, 2nd floor bath, lower level bath, front porch and new façade.

NICHOLSON
BUILDERS
DESIGN • BUILD • REMODEL

www.nicholsonbuilders.com * 614-846-7388

The mission of Nicholson Builders is to offer the finest construction experience through innovative design, exceptional service, quality craftsmanship, trustworthy communication and lasting relationships. With great care, planning, and precision, our team of architects, designers, and craftsmen ensure your renovation is an enjoyable experience for you and those you love. From start to finish, we put everything we have into making your project a success.

Project Location: 2559 LANE ROAD, UA 43220

About the Project:

This Upper Arlington basement is far from the kids play area it started out as. Now featuring a theater room, billiards area, bar/kitchen, and custom wine cellar with brick walls and iron doors, this show-stopping space is ready to entertain the entire family!

Stop by and see us to hear more about our stress-free design build process and meet our incredible team.

www.davefox.com * 614-459-7211

Dave fox is a design | build remodeling firm unlike any other. We are an employee-owned company working at intense levels in your home, with the reputation of our own company on the line. Our job is to create a structure and process that allows you to still live life in your home – in the middle of a difficult disruption. Our clients are our number one priority and we are honored to continue to be trusted by Central Ohio homeowners since 1982. We are committed to serving our customers and employees by delivering high levels of quality and value through innovative design, unparalleled craftsmanship, exceptional materials, professional customer service and ethical business practices that bring remodeling dreams to life. Get to know our special company...

Kitchen Dining Room

Project Location: 4648 STONEHAVEN DR., UA 43220

About the Project:

This Upper Arlington cramped kitchen and dining room has been beautifully remodeled to allow this growing family plenty of room to cook and entertain together.

Project Location: **3172 KENYON RD., UPPER ARLINGTON 43221**

About the Project:

Complete rebuild of existing 1950's 1,000 sf single story home with basement into a 2,455 sf 1 1/2 story Craftsman bungalow w/full basement and 2 car attached garage.

www.clearycompany.com * 614-459-4000

Remodel-Design-Build Contractor specializing in residential and light commercial projects. Established in 1994, our team is dedicated to providing our clients quality craftsmanship with trust and integrity. We are experienced professionals committed to excellence. Remodeling right starts with a plan.

Project Location: 1453 WYANDOTTE RD., COLS. 43212

About the Project:

The once small secluded kitchen in this Grandview home, is now the central area of the home connecting to the breakfast area as well as the mudroom entry, family room and rear yard. Features include a new spacious kitchen, enclosed porches, mudroom, new fireplace mantle, custom bedroom closets, a renovated bathroom, wood floors, new windows and siding.

www.renovationsunlimited.com * 614-594-0004

Our commitment to our clients is to provide the highest quality remodeling experience in Central Ohio. We can achieve this goal by utilizing sustainable products, highly skilled craftsmanship, knowledgeable design and an ethical approach to our environment. We will provide you with a beautiful, sustainable project you and your family can enjoy for generations to come.

Project Location: 640 S. 5TH STREET, GERMAN VILLAGE 43206

About the Project:

If you're looking for a creative solution for a kitchen in a tight space, you won't want to miss this German Village gem. A contemporary twist was added to this historic homes kitchen and bathroom.

J.S. BROWN & CO.
 — EST. 1978 —
 DESIGN • BUILD • REMODEL

www.jsbrowncompany.com * 614-291-6876

As a full-service custom residential remodeling company and a licensed, bonded and insured general contractor, J.S. Brown & Co. has built a solid reputation for quality workmanship. Our mission is to satisfy our customers' needs by offering a better experience and end result at a value that can't be matched anywhere else. Our approach to remodeling projects, big and small, incorporates checks and balances at every phase to ensure our clients' needs are always being met.

Project Location: 285 REINHARD AVE., GERMAN VILLAGE 43026

About the Project:

This 1890's home which sits just outside the boundaries of German Village was remodeled from top to bottom using period appropriate details and materials.

www.collamorebuilt.com * 614-565-1377

Collamore Built is a residential design build company specializing in kitchens, baths, additions and whole house remodeling. We pride ourselves on listening carefully to our customers and delivering environmentally sensitive, beautifully crafted projects on time and on budget.

Project Location: 13030 HEATHERSTONE CIRCLE, PICKERINGTON 43147

About the Project:

This 3 Season Sunroom Addition is a “Betterliving Sunroom”, exclusively offered in Central Ohio by JSB Home Solutions.

It is one of the finest, highest quality, Sunrooms available. It’s made in the USA, comes with a 50 year warranty, and is the Best Value at about 1/3 the cost of conventional sunrooms! Come and see why most customers say these Sunrooms become their favorite and most used rooms in the house.

www.jsbhomesolutions.com * 614-623-2895

Serving Columbus and Central Ohio with SMART solutions in Kitchen and Bathroom renovations and installing “Betterliving Sunrooms and Awnings”. S.M.A.R.T. stands for Save Money And Remodeling Time.

Project Location: 4469 MIDDLE ASPINWALL, NEW ALBANY 43054

About the Project:

Full kitchen and mudroom remodel. There was a lot of empty space not utilized between the kitchen and the family room. We repositioned the island, rearranged where appliances were located and added more cabinets to give this an open feeling yet functionality at the same time. All of our cabinets are custom Amish crafted. We removed a closet in the mudroom and added lockers and a drop-zone. We refinished all of the hardwood floors on the 1st floor to give an updated look.

www.millertroyer.com * 614-595-7270

At Miller Troyer - your partner for custom renovations, custom Amish cabinetry and design/build - our business practices are held to a higher standard, and judged by our Amish partners, arguably the most honest people in the world. Our Amish partnership works because we have an understanding that trust and integrity is the glue that holds our worlds together.
