Presidents Message

NARI is a great organization and it's an honor to serve as your president. Over the years, I've made a lot of friends through NARI and hope to make more. I believe that networking is the greatest benefit of membership, and the best way to meet others is to get involved. Without the volunteers that serve on the board or on committees, we wouldn't be able to achieve all that we do. We have committees to put on our events, to help attract and retain members, to provide educational programs, to work on community service projects and more. We can all help by spreading the word about NARI and inviting potential members to our general meetings and events. Networking develops new relationships between members, so increasing our membership increases our opportunities.

*My main goal in 2017 is to increase awareness of NARI and the NARI brand throughout Central Ohio. Promoting NARI as the place to find **trustworthy, quality and reliable** remodelers and vendors should benefit us all, and encourage membership. The tagline of our new logo from NARI National, "**Remodeling Done Right**" is a good starting point. But, as long as potential customers and members still ask "What's NARI?", we have work to do. I hope you'll help spread the word by displaying the logo and inviting potential members to come and experience NARI during one of our upcoming meetings. I look forward to seeing you at our events during the coming year.*

NARI Committies

Want to meet people and get involved?!

Join a committee!

Without the volunteers that serve on the board or on committees, we wouldn't be able to achieve all that we do. We have committees to put on our events, to help attract and retain members, to provide educational programs, to work on community service projects and more. We could use a smart cookie like YOU!

Committee Sign Up Information

The NARI of Board of Directors has set a goal of having 60 new members in 2017. We need your help and the help of all NARI members to reach this goal. The Board has a little challenge among themselves to see which Board Member will recruit the most members in 2017. The winner will be announced at the Holiday Party. **Pam Patter** is currently in the lead!

We're aiming high, but know we can make it with your help. And, *any member who recruits 5 new members will receive \$200!!*

Why we're running this campaign

NARI plays an important part in advancing the professional remodeling community in Central Ohio. However, lots of people don't know about NARI, or don't realize the extent of what we do. With this membership campaign, we're raising awareness of NARI, raising funds for additional branding activities that will help your business, and expand our network.

How can you help

- **Tell all** of your subcontractors and suppliers (prospective members) you are a member of NARI and *invite* them to be your guest at the next general meeting, Feb. 1 at Famous Supply;
- Proudly **display the NARI logo** in your office and on your trucks;
- **Send an email** to your professional contacts inviting them to join NARI and letting them know about your valuable experience with the organization; and
- Give NARI a **shout-out on Facebook** and invite your fellow members of the Remodeling Community to JOIN TODAY.
