

# Delaware Women's City Club

The third-floor bath was renovated in 2018 making way for the second-floor bath renovation.

Before

After

A special thank you to Peter Robinson for the time and effort he gave to complete this project; Steve Clark with Mount Vernon Barn Company, our chapter's Community Service Chair, for helping plan and implement this project; and to Kathleen Horrigan for providing amazing project coordination and her interior design expertise.

Thank you to all who worked on this project, we couldn't have done it without you!
