1 Addition, Porch & Patio

Project Location: 7548 OVERLAND TRAIL, DEL 43015

About the Project:

An aging wood deck was removed to allow for an 18 x 22' great room with cathedral ceiling. A timber framed covered porch for outdoor entertaining and a concrete patio joins the addition to complete the area.

BEFORE

AFTER

www.njwconstruction.com * 740-800-7050

NJW Construction is an award-winning home remodeling and restoration company in Columbus, Ohio, which offers unique, personalized design and build services. Our attention to detail is evident with the trim, built-ins, windows, exteriors and even finishing touches used to turn your home into a beautiful showcase. If you are looking for home remodeling in Columbus, Ohio, contact us today to find out just how beautiful we can make your home, room addition, kitchen remodel, restoration or bathroom remodel. What is your future custom remodeling project? Whatever your home style, we can build it to suit your lifestyle!

Home Improvement Tour—Tickets available at trustnari.org

Project Location: 275 OAKHAM CT, POWELL 43065

About the Project:

This whole house remodel used a phased approach to relocate and transform the kitchen, master and hall baths, the laundry room and the powder room creating a family-friendly floorplan with bright, cheerful finishes.

www.owensconstruction.com * 614-846-1149

Established in 1982, Owens Construction is one of the most respected residential design-build contractors in Central Ohio. We've built our success on unparalleled design, sound construction and personal service.

Project Location: 5622 DUNDON CT, DUBLIN 43017

About the Project:

Tour this spectacular Dublin home! The master suite features beautiful and unique architectural lines, finished off with custom inset cabinetry, great lighting and an 18-foot, three-sided, stacked stone fireplace. You will also have the opportunity to walk through their functional mudroom and striking powder rooms.

www.davefox.com * 614-459-7211

Dave Fox is a design | build remodeling firm unlike any other. We are an employee-owned company working at intense levels in your home, with the reputation of our own company on the line. Our job is to create a structure and process that allows you to still live in life in your home—in the middle of a difficult disruption. Our clients are our number one priority and we are honored to continue to be trusted by Central Ohio homeowners since 1982. Get to know our special company...

Project Location: 2505 SLATE RUN, UA 43220

About the Project:

Traditional remodel included removing wall between kitchen and family room. Features include a mixture of painted and stained custom Shaker cabinetry, Cambria countertops, shiplap ceiling and wood beams.

www.clearycompany.com * 614-459-4000

The Cleary Company Remodel Design Build in Columbus, Ohio has produced many award winning projects and satisfied clients over the past 24 years. We believe this is not only because of our dedicated team members, professional trade contractors or even the first rate suppliers we work with, but because our first responsibility is to give our customers the highest quality of design and construction. When it comes to your interior and exterior home renovations we want to be your home remodeling experts.

Project Location: 4150 FAIRFAX DR, UA 43220

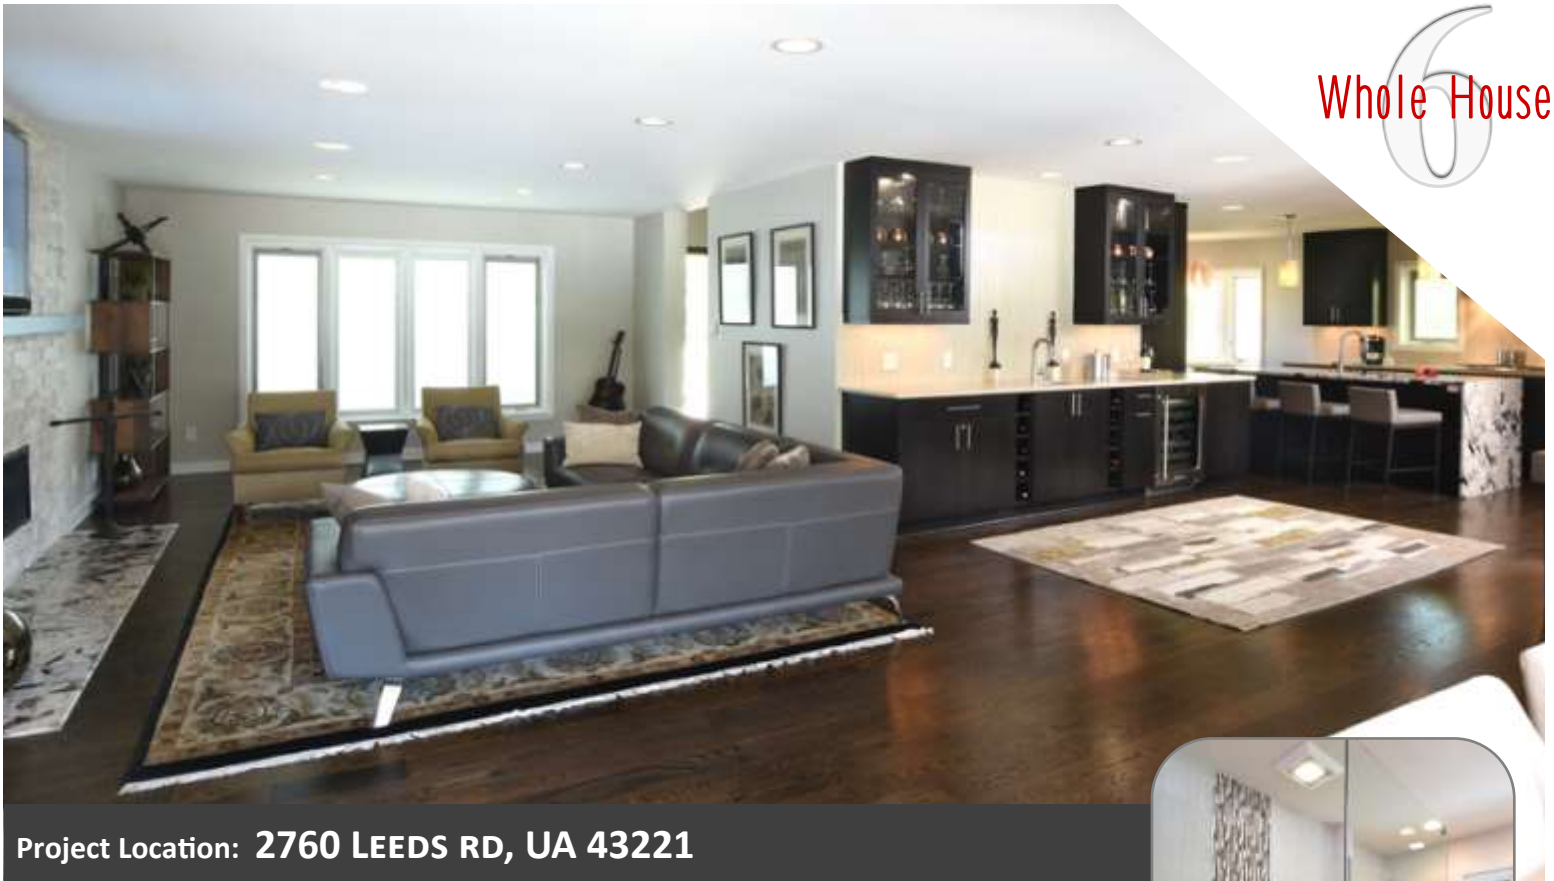

About the Project:

Beautiful modernization of the interior and exterior of this 1950s home including a bedroom wing addition, master suite addition and fully remodeled interior including a spacious kitchen, living and dining area.

www.nicholsonbuilders.com * 614-846-7388

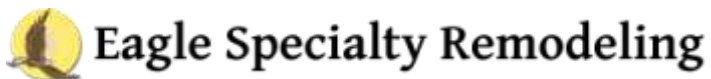

The mission of Nicholson Builders is to offer the finest construction experience through innovative design, exceptional service, quality craftsmanship, trustworthy communication and lasting relationships. With great care, planning, and precision, our team of architects, designers, and craftsmen ensure your renovation is an enjoyable experience for you and those you love. From start to finish, we put everything we have into making your project a success.

Project Location: 2760 LEEDS RD, UA 43221

About the Project:

Traditional house with concrete walls transformed into an open contemporary all new entry, foyer, stairwell, kitchen, half bath, fireplace, master bath and custom closet, floors and interior doors.

www.eagleknowsremodeling.com * 614-362-0011

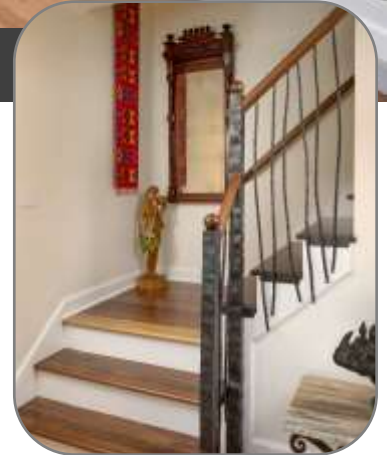

Eagle knows remodeling, and we've been the trusted choice for home remodeling in Columbus, Ohio for more than 40 years. Eagle Specialty Remodeling is a family-owned home improvement company. Our offices and showroom are located in Northwest Columbus on Reed Road just north of Henderson Road. We invite you to visit or call to discuss your home remodeling needs.

Project Location: 1969 CHATFIELD RD, UA 43221

About the Project:

1969 Chatfield is a total exterior restoration of a 1937 Tudor home on a prominent Upper Arlington site. False and incorrect details were removed, and proper authentic detailing installed. Kitchen/family room & stairway designs incorporate bespoke design approach and execution.

NICHOLSON
BUILDERS
DESIGN • BUILD • REMODEL

From start to finish, we put everything we have into making your project a success.

Kitchen & 2.5 Bath

Project Location: 201 ALDRICH RD, CLINTONVILLE 43214

About the Project:

Tour this unique 1930s Clintonville home and get inspired by the mid-century modern bathrooms, perfectly tailored kitchen remodel and exceptional home updates, that turned this quaint home into a spectacular space. See how we made a big impact in a small space with innovative designs and unparalleled craftsmanship.

From the homeowner: "The team I worked with, and I, had a lot of fun designing the kitchen, the result exceeded my expectations. I felt like they listened to me; they made my dream kitchen happen."

Our clients are our number one priority and we are honored to continue to be trusted by Central Ohio homeowners since 1982. Get to know our special company...

Home Improvement Tour—Tickets available at trustnari.org

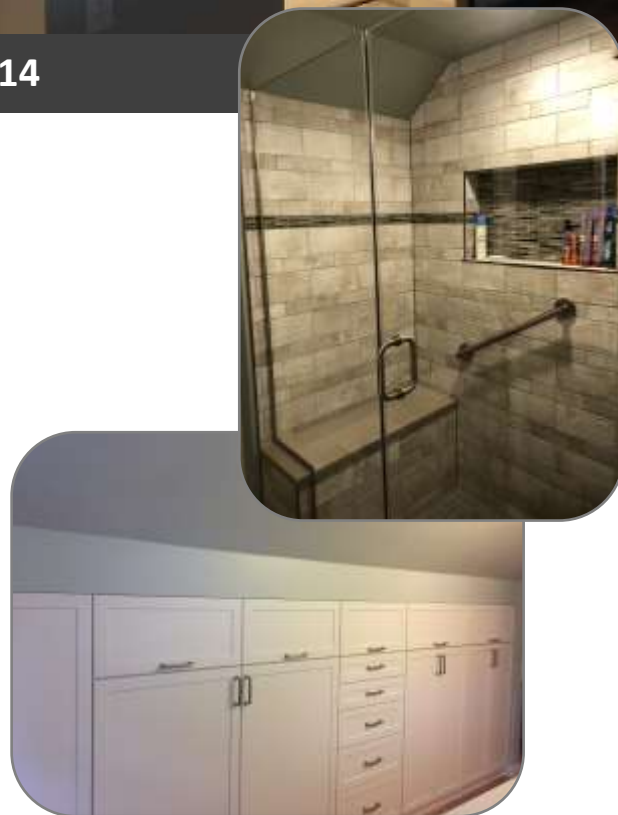

Project Location: 145 SHEFFIELD RD, CLINTONVILLE 43214

About the Project:

A master suite was created in this Clintonville home on their second floor by adding a new full bath and 18' of built in closet cabinetry. This new bath, complete with a walk-in tile shower, new vanity with granite top and custom bath cabinets greatly enhance the use of this space. A frosted glass barn door and refinished hardwood flooring brought this project together and created a beautiful living space where otherwise had been "just an attic."

www.organizedhomeremodeling.com * 614-754-8234

Organized Home Remodeling is a licensed design/build remodeling company with on staff designers for all areas of the home. We have a 2,000 square foot Design Center and custom manufacture our own cabinetry. Our manufacturing company is called Buckeye Custom Cabinets and Closets. For unique ideas and designs for your home, give us a call today!

Project Location: **870 OXFORD ST, WORTH 43085**

About the Project:

This quaint home has a reconfigured footprint with room addition to include a new mudroom and extremely functional kitchen. The living area now joins with the kitchen to improve family usage and entertaining.

J.S. BROWN & CO.
—EST. 1978—
DESIGN • BUILD • REMODEL

www.jsbrowncompany.com * 614-291-6876

As a full-service custom residential remodeling company and a licensed, bonded and insured general contractor, J.S. Brown & Co. has built a solid reputation for quality workmanship. Our mission is to satisfy our customers' needs by offering a better experience and end result at a value that can't be matched anywhere else. Our approach to remodeling projects, big and small, incorporates checks and balances at every phase to ensure our clients' needs are always being met.

2-Story
Addition

Project Location: 124 W NORTH, WORTH 43085

About the Project:

This old Worthington home had a 2-story addition to include a new mudroom, powder room and master bath. New cabinetry and storage is designed throughout and an Irish Pub can be found in the basement with an authentic Leprechaun door. A must see!
