Roadrunner Custom Remodeling is a small, hometown, licensed, 19-year established kitchen and bath remodeling company (and NARI member) in Fountain Hills (a Phoenix suburb), looking to pass on years of a spotless reputation and goodwill to an energetic remodeling entrepreneur without huge upfront costs. The business can remain small as I have enjoyed it, or there is HUGE potential for unbelievable growth in the hottest housing market in the country! I re-located from Milwaukee (active in NARI Milwaukee 15 years) in January of 2001 and I have successfully cornered an unbelievable market in a small suburb establishing a solid, good standing reputation.

SKILLS REQUIRED:
remodeling sales experience, estimating jobs, HR, construction knowledge, organization,

REMODEL BUSINESS OWNER
bring your remodeling knowledge to sunny Phoenix

I am looking to retire within a few years and gradually transition my operation to an experienced remodeling business owner. Bypass all the start-up costs and years of hard work to build a reputation, grow your presence in this market, and enjoy the best work-life balance in the country.
