Program. More people are now eligible to get paid to get healthy.

If you do not already offer a wellness program to your employees, this is a great opportunity to get your employees involved to improve their health. By partnering with [ActiveHealth](#), qualifying employees will be given access to free health assessments, biometric screenings, lifestyle, and disease management, personalized health coaching and nurse advice line, access to a website with integrated coaching/tutorials, and other education/training. Onsite biometric screening events have been offered for employers with at least 30 participants.
